RE: Discontinuance of "EOS Report CARES-RP751A -- W-2 and AFDC Payment Listing;"
Issuance of Replacement, "WEBI WWP Report #01 -- W-2 Payments by County-Tribe"

PURPOSE:

The purpose of this Administrator's Memo is to communicate the change in the source for and location of the monthly W-2 payment listing report used to compile each W-2 Contract Agency's monthly benefit expenditures charged to their contract.

BACKGROUND:

The W-2 and AFDC Payment Listing Report used from the inception of W-2 through the 2004-05 contract period was EOS CARES-RP751A which is created from the CFRP732 Payment file. A new W-2 Payments Data Mart was created because the program used to create the CFRP732 Payment file has been found to be outdated. In addition, the Division wanted one data warehouse that would be the source for all payment-related reports and data inquiry requests that would meet the specifications of multiple users.

POLICY:

Beginning with the 2006-09 W-2 Contract, the W-2 Payments Data Mart will be the source for the benefit expenditures charged to each W-2 Contract Agency. The monthly W-2 payment listing previously published as EOS report CARES-RP751A will be discontinued effective 01/01/06 and replaced by "WEBI WWP Report #01 -- W-2 Payments by County-Tribe." It can be found under the Corporate Document category, "WWP -- All Reports."

* PROGRAM CATEGORIES:

AS--Apprenticeship Standards	FM--Financial Management Requirements	ML--Migrant Labor	TR--Transportation
CC--Child Care	FL--Foreign Labor Certification	NA--Native American Services	W-2--Wisconsin Works

The W-2 Payments Data Mart will be updated monthly on the weekend after the W-2 Delayed cycle.
